

Are You Prepared

September

Most of us have seen movies of medieval warriors preparing for battle. The harpener, sword, shield, and don their armor and helmet. Leaders explain the plan for the ensuing conflict and they all go on their mission to avenge the death of the battle. Some movies also show the soldier thinking about possible injuries or death. In his day, he prepares for the challenge of the day.

Are you prepared for the death of our day? At the beginning of a shift, workers don their personal protective equipment (PPE), check safety glasses, fire extinguishers, and helmets. It may be necessary to calibrate a meter or

Start your day prepared for the challenges ahead!
