

Your most complete professional resource. The American Institute of Chemical Engineers

Update: December Charity Drive Benefiting the Ronald McDonald House Charities of KC

AIChEKC would like to thank all of the members who joined us for the December Charity Drive. Your overwhelming generosity and support for the Ronald McDonald House Charities of Kansas City! Over \$200 in cash donations, as well as several items from their Wish List, were received. Thank you for continuing our support of the Ronald McDonald House in 2014! Please read this note of thanks from RMHCKC:

American Institute of Chemical Engineers,

Thank you for your thoughtful gift and support for the families we assist. Your recent donation of cash and Wish List items is truly appreciated. We endeavor to help provide the comforts of home to families dealing with the trauma of a sick child, and gifts like yours help us to provide that assistance. Please know that your act of kindness
