

February 2024 AIChE Meeting – Is Chemical Engineering For Me?

Date: Monday, February 5, 2024

Program: A seminar will be provided for high school students from our section's geographic area that are interested in learning more about chemical engineering. The event will include 2 speakers, a panel of chemical engineers, and some interactive activities between chemical engineers and students.

Details: Please see page 2 of this document for details of the event, which includes the location and schedule. This page was provided to the schools in our area for students to sign up for the event. Parents and teachers are also invited to attend.

Participation: We are encouraging chemical engineers from our section to attend. All engineers at the event will participate.

en you RSVP to attend the meeting.

erve.

th to Charles Merris by sending either a text to 717-951-7906 (mobile) or an email to cmerris@msn.com. In the RSVP, please note if you are interested in being a panelist.
