**OFFICIAL RULES FOR THE  
2016 TULSA ENGINEERING CHALLENGE  
RUBBER BAND POWERED VEHICLE COMPETITION**

---

**OBJECTIVE**

**Final score will be the vehicle's best run completed in the five minute time period.**

In the event of a tie, vehicle determined to have the most creative design will be declared the winner.

Decision of judges, during all phases of competition, will be final. Judges will determine winning entries at the close of the Challenge (winners need not be present).

---

## **GENERAL**

The contest is limited to three (3) entries per division per school. Each entry may be an individual or a team project of two to four students.

**Registration will be done via the TECh web page which can be accessed through [www.tulsaengineer.org](http://www.tulsaengineer.org).**
