3. Old Business
 - a. Upcoming meetings:
 - April 18 – David DePaoli is arranging program including a tour of the Manufacturing Demonstration Facility. Need to arrange place for committee meeting. Because this is an unusual location for a meeting, committee encouraged providing directions both in the newsletter and in a separate e-mail. Need to make reservation for dinner after tour at a nearby restaurant. (Note – after meeting, the speakers identified a conflict; this meeting topic will be rescheduled for a later date)
 - April 25 – UT Student Awards Banquet, Calhoun's on the River.
 - May 16 – Stuart Daw is arranging program on ancient cave paintings at McClung Museum. Speaker is Jan Simek. Committee recommends inviting SWE for a joint meeting; Jarrod Clark will contact them.
4. New Business
 - a. Linda Puckett is retiring after many years of service to the AIChE Knoxville-Oak Ridge Section. Paula George has agreed to assist with our administrative needs.
 - b. The section will no longer mail out printed versions of the newsletter. Newsletter will be distributed by email and posted on the section web site.
