AIChE Global Undergraduate Student Video Competition (GUSVC) Copyright Information

Section 4: Creative Commons

Below explains how one can utilize music that is licensed to creative commons to enhance their video submission. The same protocol and procedure remains true for images and videos. All questions or concerns on what can or can't be utilized in a video should be directed to an AIChE representative at aiche.gsc@gmail.com in order to decrease the possibility of a video being omitted from the competition.
