

(Faculty-Member-in Residence "FMR") is needed to mentor and teach engineering students about the interaction between S&T and policymaking during the 2023 WISE Program in Washington, DC.

WISE is a 9-week summer program (June 4 – August 5) during which 6-12 undergraduate engineering students work under an FMR's guidance and their sponsoring societies, to learn how legislative & regulatory policy decisions are made, and how engineers can contribute to the process. WISE interns interact with Washington decision-makers, and prepare and orally present an extensive research paper at the end of the program. For more information, visit the WISE web page at www.wise-intern.org.

- Instruct WISE Interns on the basics of good policy research, writing, and analysis.
- Organize regular visits and discussion sessions with policy decision-makers (at least 2/week).
- Supervise students' preparation of a substantial policy paper.
- Be a professional advisor and mentor to the WISE interns.
- Interact with representatives and staff of the engineering societies that sponsor WISE Interns.

will be evaluated based on the following criteria:

Experience and credentials.

Knowledge of public policy, especially at the federal level.

Experience dealing with students and publication of policy papers.

, please email a letter of interest to the WISE FMR c/o Heather Yuengling by January 31, 2023
